## Acknowledgment

We are extremely thankful to our internal guide **Mr. Nirav Bhatt** whose constant support and helping attitude towards the students has always provided us the strength to complete the task efficiently and rapidly.

We sincerely thank Sir for his expert guidance and encouraging us throughout this project work.

## **Abstract**

If you like quiz games and want to increase your knowledge, then KBT-The Quiz Game is the one you should be playing.

To accomplish this task, you must have the knowledge of hardware and software of computer system. In this quiz game, you will be given some questions and every question have four options, you have to choose one of the them. Every correct answer will give you 5 points.

In this project, we have created a game in C++.
